MEDICINES.

TAKE

For all diseases of the Liver, Stomach and Spleen.

WILL CURE

DYSPEPSIA.

I MUST OWN that your Simmons' Liver Regulator fully deserves the popularity it has attained. As a family medicine it has no equal. It cured my wife of a mala-dy 1 had counted incurable -that wolfsbane of our American people, Dyspepsia. A. E. P. ALBERT, Professor in Nicholas Pub-lic School, Parish of Ter-

rebonne. La. MALARIOUS FEVERS.

You are at liberty to use my name in praise of your Regulator as propared by you, and recommend it to every one as the best preventive for Fever and Ague in the world 1 plant in southwestern Georgia, near Albany, Georgia, and must say that it has done more good on my plantation among my negroes than any medi cine I ever used. It supersedes quinine if taken in time Yours, &c., Hon. B. H. HILL, Ga. CHILDRENt-Your Reg-

ulator is superior to any other remedy for Malarial Di seases among children, and it has a large sale in this section of Georgia. - [W. M. Russell, Albany, Ga. CONSTIPATION.

TESTIMONY OF THE CHIEF JUSTICE OF GEORGIA.-I have used Simmons' Liver Regulator for constipation of my bowels, caused by a temporary derangement of the liver, for the last three or four years, and always, when used according to the directions, with decided benefit. I think it is a good medicine for the derangement of the liver-at least such has been my personal experience in the u.e of it. HIRAM WARNER,

Chief Justice of Georgia. SICK HEADACHE. EDITORIAL-We have tested its virtues, personally, and know that for Dyspepsia, Biliousness and Throbbing Headache, it is the best medicine the world eversaw. We have tried forty other remedies before Simmons'

Liver Regulator, but none of them gave us more than temporary relief; but the Regulator not only relieved but cured us. - [Editor Telegraph and Messenger, Macon. Ga.

COLIC AND GRUBBS IN HORSES. Having had during the last twenty years of my life to attend to Racing Stock, and having had so much trouble with them with Colic, Grubbs, &c , gave me a great deal of trouble. Having heard of your Regulator as a cure for the above diseases, I concluded to try it. After trying one PACKAGE IN MASH I found it to cure m every instance it is only to be tried to prove what I have said in its praise I can send you certificates from Augusta, Clinton and Macon, as to the cure of horse. The Confederate Cavalryman.

General Firzhugh Lee, representing a numr of gentlemen, has presented to the State of Virginia a portrait of the galiant Confederate eavalryman, Major General J. E. B. Stuart. The following is General Lee's presentation letter and Governor Kemper's note of welcome

and acceptance: KICHLAND, STAFFORD COUNTY. VA., 1 January 15, 1877. To His Excellency, James L. Kemper, Gover nor of Virginia:

Sir:-In behalf of the gentlemen whose names are herewith appended I have the hogor to present to the Scare, through its Executive, a portrait of M. jor General J. E. B. Stuart. The motive prompting this donation upon our part is to record our reverence and affection for the memory of the brilliant commander of the cavalry corps of the Army of Northern Virginia, and to declare the gratification felt at the knowledge that a picture of him hangs in the Capitol of his native State among those

of so many of her distinguished sous. G neral Squart was born in the county of Patrick. He graduated at the Unites States Military Academy at West Point in 1854. and served for seven years as a lieutenant of cavalry in the United States army. When he "war between the States" broke out be promptly resigned his commission, tenderdering his services to and linking his fortunes with these of his State. On the 9th of May, 1864, whilst the historic Army of Northern Virginia was tobling fast to the lines of Spot sylvacia C arr II use, the eavalry corps of the chemy, consisting of three divisions of three brigades each-site former being commanded by Fortert, Gross and, Wilson, and the whole by Sheridan—marched past its right flock, going in the direction of the then Virginia Central Radroad, and having, if possible, Richmend as its objective point. This force amountd to some ten the usund mounted men and six outteries of regular artiflery, and, to use the inoguage employed by its commander in his theial report, "the three divisions" marching 'on the same read" made a 'golumn of about

chirteen muss in length."

A brigade of North Carolina cavalry, under the gallant General Gordon, was ordered to harass the rear of this corps, while Lomax's and Wickham's brigades, of my division, marching with greater rapidity by another road, were thrown across his route at Yellow Tayern, six miles from Richmond. In the unequal combat which took place between my seven regiments
-aggregating about 2,500 traopers-and this large corps of General Sacradan, General Stuart ieli, moreally wounded, upon the 11th of May, and upon the 12 h, in the elig of Richmond, turied his battle flor torever. We feel confident, sir, that as long as Virginia remains tru to her past traditions, and justly values the qualities that cl vate man among his fellows. Agents for the Baltimore and Potomac Transenivalry, heroism, valor, and devotion, so long will the memory of the great cavalryman be held invadable and his pic ure be prized by generations of her seas and daughters. WASHING VEGETABLES -- Vegetables should never be washed until immediately buf re being prepared for the table. Lettuce is made almost worthless in flavor by dipping in water some hours before being served. Potatoes suffer even more than other vegetables through the washing process. They should not be put

in water tal just ready for boding. OPENING AND CLOSING OF MAILS, - Until
